

CSA High School Visits

**All high schools look alike, or do they?
You might begin to think differently after stepping foot on to CSA's campus.**

Nestled in Cleveland's University Circle neighborhood, the school is connected to countless opportunities of world-renowned museums; prestigious universities; nationally recognized hospitals; eclectic restaurants; beautiful parks; and cozy spaces. Here, you'll find one of the most beautiful high school campuses in the city, and we're not just saying that!

We are excited about your intentions to want to be a part of the CSA community and look forward to serving in the near future. We recommend planning your visit at least 2 weeks in advance so that we can arrange the appointments you have requested and send you confirmation materials. Please also allow for the parent/guardian to arrange adequate drop-off and pick-up.

What to Expect:

A visit to CSA includes an enrollment presentation, campus tour, visit to an academic classroom and an arts-focused course. On special admissions sessions, we may arrange a visit with a guidance counselor or an arts or academic instructor in the area of your choice.

Visit Days:

Though the visit schedule may vary slightly based on capacity and availability, the usual schedule is as follows:

- Dismiss student to the nearest RTA bus route
- Parent/Guardian/Family will pick-up student

Upon dismissal, a visiting individual student will receive a Present in Another Location – Excuse Note to validate their time of absence from their current school. Students visiting as a group, would have received prior authorization before visit.
